

Library/Library/inc
/Platform.h

```
graph TD; A[Library/Library/inc/Platform.h] --> B[stm32f4xx.h]; A --> C[stdio.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'Library/Library/inc/Platform.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'stm32f4xx.h' and the right box is labeled 'stdio.h'. This indicates that the Platform.h header file includes or depends on both the stm32f4xx.h and stdio.h header files.

stm32f4xx.h

stdio.h
